

# DIVORCE CARE Dc4K

**DivorceCare** is a program designed to provide a support group for adults who are experiencing divorce or who have recently gone through a divorce.

The DivorceCare team typically meets once a week for 13 weeks starting in January. The class lasts for 2 hours each night and during that time a video is shown. Following the video, class members break into groups to discuss the topic for the night. A light meal is served at the beginning of each class.

**Dc4K** is a class for kids, ages 5-12, that meets at the same time as the adult class.

**Time commitment:** 2 hours once a week for 13 weeks (typically January thru April)

### Ways you can help:

- Help with the meals
- Helpers with the kids program
- Facilitators for adult groups (will need to be a veteran of divorce)
- Greeters
