

HOMEBOUND MINISTRY

Our purpose:

To let our homebound know we care about them. They are not a forgotten group. We want to keep them informed of what is going on in the church.

They like the Bible Study Connections material, Mature Living magazines and occasional cards. More than anything, they like to have someone to talk to.

We visit the homebound once a month. Every few months the volunteers change the homebound they have been assigned to.

We visit 15-20 minutes.

At Easter and Christmas, we take them a flower, of which they are very appreciative. They are a very elite group of ladies.
