

PRESCHOOL & CHILDREN'S SUNDAY MORNING

Our goal is to reach children and their families with the message of Christ's unconditional love by age appropriate instruction and interaction of Bible stories and moral lessons.

Bible Study Connections is extremely important to the life of our church. It helps each member be a part of this wonderful ministry. We provide developmental age graded Bible study for bed babies through 4 years old. Children are taught about Jesus and his love in BSC.

Extended Worship Care Nursery is offered for our children birth-3 years old. Children 4 years old-3rd grade attend children's church every Sunday during 10:15 worship service.

Serving on this rotation is at the discretion of the volunteer. Some volunteers serve on a regular rotation of every 5 weeks, some serve every other rotation, and some serve on an as needed basis. Each volunteer and time commitment are welcome.

We need two adults in each nursery class (Babies - 4 yrs old) at all times. More volunteers means more time between each rotation. Volunteers are important and vital to a successful nursery.

Nursery Committee provides direction, coordination and policies for our nursery program, Birth-3.
