

# SINGLES MINISTRY

*Singles*

*Single Parents*

*Single Moms*

## **Purpose:**

To provide a doorway for Single Adults and Single Parents to enter a large church fellowship and find a place to connect in a small group setting.

1. A place where one can find friends for a lifetime as well as make a difference in their world.
2. A place where one can have adventures and opportunities of a lifetime.
3. A place to grow in a closer relationship with Christ.
4. A support system for those dealing with life's challenges.

## **The Singles Leadership Team**

This team plans, leads, and implements activities and events for Singles both within the church and in the community. The team also consists of teachers who have a desire to teach God's Word and to help Singles with the challenges of life by encouraging them and by pointing them to the Lord for direction.

Leaders are asked to attend a leadership meeting at least once a quarter. They are also asked to commit to making Singles events and activities a priority. We believe that each activity can be a time to connect with individuals and also a time to minister to others.

## **Requirements to serve:**

- A loving spirit
- A genuine desire to help others facing challenges
- A heart for ministry and desire to serve others
