

SPECIAL EVENTS COMMITTEE

The special events committee at Woodmont Baptist Church is comprised of a team of dedicated individuals who are responsible for the coordination, planning, design and set up for a variety of church wide events and special projects throughout the calendar year. Our goal is to organize fun and entertaining celebrations that foster spiritual growth and fellowship among our church family.

Our committee meets on an "as needed basis". Meetings will be scheduled as the event approaches. Set up for a church event usually takes place the day of the event, occasionally the day before. All committee members are responsible for cleaning up after the event as well.

If you think special events is "your fit" we would love to have you join our team!

"Through love serve one another"- Galatians 5:13.
