**Woodmont Academy of Fine Arts opened its doors in 2007 for the purpose of providing quality instruction in the fine arts in a wholesome environment by gifted and nurturing Christian teachers. God has blessed abundantly over the years, and many, many musicians and artists have passed through our doors, leaving with greater skill and deeper confidence than when they came.**

**Private lessons are currently offered in the following disciplines:**

**piano, voice, guitar, violin, and flute.**

**Visual art classes for children are also available.**

**It is our belief that our God and Creator is the original Master Artist, and we follow His example when we produce art that brings beauty into His world. WAFA seeks to train up musicians and artists by helping them develop their gifts for His glory.**

***Psalm 33:3 "Sing to Him a new song; play skillfully and shout for joy!"***
