

WIDOWS OF WOODMONT

The purpose of the Widows of Woodmont is twofold. As widows, we meet once a month for lunch and enjoy each others company. We enjoy catching up, talking, laughing and having fun. We also enjoy giving back to the community.

We have been blessed to be a part of fantastic program called "12 For Life". "12 For Life" is a high school program that combines the value of education and working a part-time job at a local manufacturing company, Southwire. After speaking with the Florence High School director of the program, we began making cash donations that we use to purchase snacks for the student/employees of this program. With the help of Woodmont, we bought and donated a small chest freezer for the break room at Southwire.

The Widows of Woodmont are blessed to be a part of these young men and women's lives as they are mentored by those involved in the "12 For Life" program. At graduation, each student is given a "Cross in My Pocket" attached to a card encouraging them to move forward from school with high goals in their lives.
