

WOMEN'S MINISTRY

Purpose:

Bring women of the church together through special events, encouraging a spirit of love, unity, and fellowship – regardless of age and background.

What we do:

- Host three to four major events each year.
- Welcome new female members to the church with a gift.
- Organize and promote Operation Christmas Child.

Time commitment required:

Other than an orientation/planning meeting in January, there is no regularly scheduled meeting time – we meet as needed. Several hours are required on the eve of an event for set-up, in addition to the time required for hosting and for clean-up on the day of the event.

Skill sets/talents/gifts:

A servant's heart, hands and feet, hospitality, encourager, leader, follower, administrator, etc. We are a team utilizing varying skills, talents and gifts.
